 - Single phase 230/115V 2.6/5.2A, 3 phase 480/230V 1.7/3.4A

**Please allow 2-4 weeks for shipping to location.
1 or 3 phase, post bracket shown below please add \$110.00.**

In-line
Column Mount Bracket
for Direct & Belt Drive
models of Panel Fans

Note: Fans are sourced from Wisconsin fan manufacturer, estimated shipping \$100 per fan or \$400 per pallet in multiple fans ordered – up to 14 per skid/pallet assembled. OSHA requires fans w/o guards to be mounted 7' above floor level, this fan is suitable for free air circulation – not to pull air thru potato bin stacks.

Exclusions: Actual physical installation and electrical hook up not included.
